**THIS APPLICATION MUST BE SIGNED BY THE PROPERTY OWNER OR THEIR AUTHORIZED AGENT**

I understand that members of the Planning Commission, Zoning Board of Appeals, Board of County Commissioners and the Zoning Administrator may visit the property which is the subject of this application. I also understand that either myself or my representative should be present to explain my request, or I should clearly mark the location on my property.

I understand that the fact I have applied for a RV Permit does not relieve me of the obligation of applying for and having been granted a zoning and/building permit issued by the County before proceeding with any future construction of a building or installation of a septic facility of any kind.

I acknowledge that I am responsible for complying with the Keweenaw County Zoning and it is the responsibility of the land owner to apply for and obtain all necessary permits. The approval does not guarantee the ability to obtain permits necessary for the construction of a structure, and the County is not liable or responsible if such property fails to obtain a permit of any nature, including those related to on-site well and septic systems. Further, it is the sole responsibility of the landowner to satisfy the requirements of any application for zoning, building, ingress/egress, on-site well, and on-site septic systems. The County is in no manner liable for the denial of any application.

I have read and understand the above. The information I have provided is complete and accurate to the best of my knowledge.
