Work session item

Calendar: Three public hearing cases coming up set date of December 1, 2020. Times as follows, start at noon, open meeting, pledge, agenda approval, minutes, and open first public hearing, close and take action, then open the second, close, take action then open the third, close and take action.

The order will be Moryrla, Borlee, and Burger, starting at Noon, 12:45, and 1:30, approximately. We are good with the timing, as long as we don't start early. An example is if the first one finished by 12:30, we must wait until 12:45 to begin Borlee, if the Borlee hearing lasts past 1:30, the Burger hearing can begin immediately.
