

## KEWEENAW COUNTY ROAD COMMISSION

Minutes

September 27, 2010

A special meeting was held at 4:30 P.M. on Monday, September 27, 2010 at the offices of the Keweenaw County Road Commission.

Present: Commissioners McEvers and Muljo

Guests: None

The Board discussed a recent proposal from a group of organizations interested in purchasing and preserving the KCRC Central property. This group is led by Houghton Township, who will most likely act as the purchasing agent for the property. A property management plan will be developed with assistance from the Keweenaw County Historical Society, Keweenaw National Historic Park, Houghton Keweenaw Conservation District and Keweenaw Trail Services. It was requested by this group, that while they are seeking grant funding, they would like the zoning to remain Conservation Environmental Protection, which is the zoning district designation they would want for the property in the future.

Based on this information and the likelihood of the purchase taking place in the next two years, Commissioner McEvers motioned to withdraw the zoning change request at this time, pending the outcome of their search for grant funding. Commissioner Muljo supported the motion. The motion carried.

The meeting adjourned at 4:50 P.M.
