Thanks to Chuck for taking the minutes.

There was no correspondence for the Authority.

Ray spoke to State Representative Scott Dianda about the fire hazard at Mt. Horace Greeley. Dianda has spoken to the state Fire Marshal on our behalf to pressure the Air Force to remove the buildings. Bill had no information yet on how the Air Force would proceed with site cleanup. No press release has been prepared, but there will be time for one in the future. Ray reported that building blue prints thought to be with the Keweenaw County Historical Society could not be located. Bill read from a property deed for the site between the Air Force and Keweenaw County. It seems that the County would receive the land back as is, with the Air Force taking back the land if they desired. Chuck thought will will probably not hear back from the Air Force until the Spring.

Ray has heard nothing recently from the party that expressed an interest in the Louisiana-Pacific Property on US 41.

Chuck asked for public comment at 8:12 pm. There was no public comment.

After much discussion, Ray moved, Mark second, to cancel the regularly scheduled Tuesday, December 15, 2015, meeting. Passed unanimously.

Ray moved, Mark second, to adjourn the meeting at 8:17 pm. Passed unanimously.

The next regularly scheduled Authority meeting will be held on Tuesday, February 16, 2016, at 7 pm at the Keweenaw County Courthouse in Eagle River.

Steven Karpiak, Secretary
