KEWEENAW COUNTY ROAD COMMISSION 2026 CULVERT MATERIAL BID REQUEST BID DUE: MARCH 3RD, 2026 AT 2:00 P.M.

Polymer Coated Galvanized Steel Culvert Pipe – 3 x 1 or 5 x 1 corrugations - (PER MDOT 2020 SSFC, Section 909.05)

Precast Reinforced Concrete Pipe Products for soil cover 0 to 2 feet – (PER MDOT 2020 SSFC, Section 909.04)

Prices for culvert bands are being requested for the standard polymer coated galvanized steel band and the Hugger H12 band with 12" wide gasket

All materials are to meet the current 2020 MDOT Standard Specification for Construction, with HL-93 Design Loading.

For the breakdown of the individual lengths for each diameter, pipe arch and type; see the attached BID FORM. The number of bands may not match the proposed amount of pipe in the bid. Any discrepancies are intentional and are intended to help with our current inventory needs. *Bidder shall submit the entire BID FORM, even if not providing bid on other material types.* KCRC will determine pipe sizes and thickness needed upon evaluation of all bid unit prices. KCRC has the right to modify final lengths in the final purchase order. The bid price shall be F.O.B. with delivery to the KCRC Facility in Mohawk, Michigan, 49950.

Bids shall be submitted on the attached BID FORM. Bids may be mailed in a sealed envelope and identified as "Sealed Bid Enclosed for 2026 Culvert Materials" OR bids may be submitted electronically with same identifier in Subject line of e-mail. Electronically submitted bids shall be sent via email to kingstrom@keweenawroads.com. The culvert delivery date is to be determined between the supplier whom is awarded the bid and KCRC. The with a desired delivery date during the weeks of April 27 to May 7, 2026.
